

• Invitation

Bioenergy in the Renewable Energy Action Plans - Policy Dialogue in Baltic Sea Region

Conference

26.-27.11.2009

Helsinki Congress Paasitorni
Paasivuorenkatu 5 A
00530 Helsinki

Bioenergy Promotion

Programme

Thursday 26.11.2009

- 11:00-13:00** **Registration**
- 12:00** **Lunch**
- Session 1** **Introduction and EU policy framework**
Chair: Timo Määttä, Motiva Oy
- 13:00** **Opening of the Conference**
Jouko Kinnunen, Managing Director, Motiva Oy
- Bioenergy Promotion project**
Mats Rydehell, KanEnergy
- RES directive and the renewable energy action plans**
Hilkka Summa, Head of Unit, European Commission
- The challenges for bioenergy - government expectations of renewable energy action plans and promotion**
Sirkka-Liisa Anttila, Minister for Agriculture and Forestry, Finland
- Discussion**
Facilitators: Tyge Kjaer, Roskilde University and Sylwia Klatka, Spektrum
- Session 2** **Promoting the use of bio-energy through National Renewable Energy Action Plans - status quo and development**
Chair: Bjarne Rasmussen
- Experiences from Bioenergy Action Plans preparation in Europe - the BAP Driver project**
Har van Himbergen, Senternovem
- 15:00** **Coffee**
- 15:30** **Country presentations: Specific measures for the promotion of the use of energy from biomass (title corresponds to chapter 4.6. of the EU template)**
Germany: Aino Martikainen, Fachagentur Nachwachsende Rohstoffe, FNR
Finland: Petteri Kuuva, Ministry for employment and the economy
Sweden: Matti Parikka, Swedish Energy Agency
Poland: Mariusz Wójcik, POMCERT
Norway: Trond Hammeren, Innovation Norway
- 17:00** **Dialogue with attending BSR policy makers on actual policy developments**
Facilitators: Tyge Kjaer, Roskilde University and Sylwia Klatka, Spektrum
- 18:30** **Closing of the first day**
- 20:00-** **Conference dinner and networking, Valkoinen Sali**
Address: Aleksanterinkatu 16-18, Helsinki
Welcoming words by Matti-Pekka Rasilainen, Public Works Department, City of Helsinki

Friday 27.11.2009

- 8:30-9:00** **Registration**
- 9:00** **Opening and introduction**
Timo Määttä, Motiva Oy
- Session 3** **Implementation of sustainability criteria for bioenergy**
(title corresponds to chapter 4.2.10 of the EU template)
Chair: Sylwia Klatka, Spektrum
- 9:05** **Implementing the EU sustainability criteria for transport biofuels and bioliquids : The respective Sustainability Ordinances in Germany**
Jessica Löhndorf, Federal Ministry for the Environment of Germany
- Bioenergy sustainability criteria and standardization process in CEN and ISO**
Heikki Koskinen, Finnish Oil and Gas Federation
- Panel discussion "Preparation of REAPs in the Baltic Sea Region"**
Panelists:
Jessica Löhndorf, Federal Ministry for the Environment of Germany
Trond Hammeren, Innovation Norway
- 10:45** **Coffee**
- Session 4** **Regions as key actors for achieving the national RES targets**
- 11:15** - *Energy Farm, Norway, Erik Eid Hohle*
 - *North Carelia, Finland, Pradipta Halder*
 - *Störströms Amt, Denmark, Bjarne Rasmussen*
- Biofuel production and trading in the Baltic Sea Region - plans and actions in company level**
Tommi Ruha, Vapo Oy
- 13:00** **Lunch**
- Session 5** **Assessing the supply of domestically available biomass and the need for imports**
(title corresponds to chapter 4.6.1 of the EU template)
- 14:00** **Bioenergy resources in the Baltic Sea Region**
Perttu Anttila, Finnish Forest Research Institute
- UNECE Joint wood enquiry: input to NREAP development**
Florian Steierer, UNECE, TBC
- Discussion**
- 15:30** **Closing of the Conference**
- Coffee**

The conference will give and show You:

- the latest information of the planning and implementation stages of the NREAPs
- the role of bioenergy in different Baltic Sea Region countries
- a chance to share experiences with other colleagues
- the most recent views from the Commission by Hilikka Summa, Head of Unit - Bioenergy, Biomass, Forestry and Climate Change

In addition, we warmly welcome You to the **Conference dinner on 26th of November**. It is an excellent meeting point for networking with bioenergy actors in the Baltic Sea Region and get in touch with different partners involved in the project.

Conference fee

- 26th -27th of Nov 2009 Conference: 170 € (including 22 % VAT)
- Conference dinner 26th of Nov 2009: 75 € (including 22 % VAT)

Registration

Please register at the latest by 9th of November, 2009 through the following link: <http://bionrj.suvisoft.net/corg/>

Language

The language of the conference is English.
